Advanced Accounting 9th edition (9780131851221)

Advanced Accounting 9/e uses the complete equity method to allow students to focus on accounting concepts rather than bookkeeping techniques in learning consolidation material. The presentation of consolidation material and the use of excerpts from popular business press and references to real world companies and governmental and non-profit institutions are used to illustrate key concepts and maintain a strong student orientation.

Advanced Accounting: 9th Edition - Pearson

Advanced Accounting (9th Edition) (Advanced Accounting) This is a horribly written book. The answers to the exercises are really hard to find in the text. A book should not involve a deep thought process, as that should be saved for the exams. I don't think the author matched well with his questions and what he or she wrote in the book.
