Peter van Pels | Anne Frank House

The Anne Frank House researches the history of the Frank family and does research antisemitism, racism and right-wing extremism in the Netherlands. Due to the Dutch government's measures to prevent the spread of the coronavirus, the Anne Frank House will be closed until 19 November 2020.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Hiding from the Nazis in the "Secret Annexe" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Anne's story, however. This book completes the portrait of this remarkable and talented young author. Tales from the Secret Annex is a complete collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination—as well as her indomitable love of life. Anne Frank's Tales from the Secret Annex is a testaments to this determined young woman's extraordinary genius and to the persistent strength of the creative spirit.

Paper doll and brief biography of Anne Frank

Abridged version of a Jewish girl's record of how her family hid from Nazi occupiers in World War II Holland.

Paper doll and brief biography of Anne Frank

THE STORY: In this transcendently powerful new adaptation by Wendy Kesselman, Anne Frank emerges from history a living, lyrical, intensely gifted young girl, who confronts her rapidly changing life and the increasing horror of her time with astonis

Anne Frank's diary is one of the most recognised and widely read books of the Second World War. Hundreds of thousands of people visit the Anne Frank House on the Prinsengracht in Amsterdam each year to see the annexe where Anne and her family hid from the occupying forces, before eventually being deported to Auschwitz in 1944. Only Anne's father, Otto, survived the Holocaust. Anne Frank: The Collected Works includes each of the versions of Anne's world-famous diary including the 'A' and 'B' diaries now in continuous, readable form, and the definitive text ('D') edited by renowned translator and author Mirjam Pressler. For the first time readers have access to Anne's letters, personal reminiscences, daydreams, essays and notebook of favourite quotes. Also included are background essays by notable writers such as historian Gerhard Hirschfeld (University of Stuttgart) and Francine Prose (Bard College) on topics such as 'Anne Frank's Life', 'The History of the Frank Family' and 'The Publication History of Anne Frank's diary', as well as numerous photographs of the Franks and the other occupants of the annexe. An essential book for scholars and general readers alike, The Collected Works brings together for the first time Anne Frank's complete writings, together with important images and documents. Supported by the Anne Frank Fonds in Basel, Switzerland, set up by Otto Frank to act as the guardian of Anne's work, this is a landmark publication marking the anniversary of 90 years since Anne's birth in 1929.

A timeless story rediscovered by each new generation, The Diary of a Young Girl stands without peer. For both young readers and adults it continues to capture the remarkable spirit of Anne Frank, who for a time survived the worst horror the modern world has seen—and who remained triumphantly and heartbreakingly human throughout her ordeal. Adapted by Ari Folman, illustrated by David Polonsky, and authorized by the Anne Frank Foundation in Basel, this is the first graphic edition of The Diary and includes extensive quotation directly from the definitive edition. It remains faithful to the original, while the stunning illustrations interpret and add layers of visual meaning and immediacy to this classic work of Holocaust literature.

The 22nd book in the New York Times bestselling series of biographies about heroes tells the story of Anne Frank, the young Jewish girl who documented her life while hiding from the Nazis during World War II. This engaging biography series focuses on the traits that made our heroes great--the traits that kids can aspire to in order to live heroically themselves. Each book tells the story of an icon in a lively, conversational way that works well for the youngest nonfiction readers. At the back are an excellent timeline and photos. This volume features Anne Frank, whose courage and hope during a time of terror are still an inspiration for people around the world today. While Anne and her family hid in an attic during the Holocaust, she kept a journal about all her hopes and fears and observations. That journal and the story of her life are still read and told today to remember the life of a young girl and warn against the consequences of bigotry.

“Prose's book is a stunning achievement. . . . Now Anne Frank stands before us. . . a figure who will live not only in history but also in the literature she aspired to create.” — Minneapolis Star Tribune In June, 1942, Anne Frank received a diary for her thirteenth birthday, just weeks before she and her family went into hiding from the Nazis in an Amsterdam attic. For two years, she described life in hiding in vivid, unforgettable detail and grappled with the unfolding events of World War II. Before the attic was raided in August, 1944, Anne Frank furiously revised and edited her work, crafting a piece of literature that she hoped would be read by the public after the war. And read it has been. In Anne Frank, bestselling author Francine Prose deftly parses the artistry, ambition, and enduring influence of Anne Frank's beloved classic, The Diary of a Young Girl. She investigates the diary's unique afterlife: the obstacles and criticism Otto Frank faced in publishing his daughter's words; the controversy surrounding the diary's Broadway and film adaptations, and the social mores of the 1950s that reduced it to a tale of adolescent angst and love; the conspiracy theories that have cried fraud, and the scientific analysis that proved them wrong. Finally, having assigned the book to her own students, Prose considers the rewards and challenges of teaching one of the world's most read, and banned, books. How has the life and death of one girl become emblematic of the lives and deaths of so many, and why do her words continue to inspire? Approved by both the Anne Frank House Foundation in Amsterdam and the Anne Frank-Fonds in Basel, run by the Frank family, Anne Frank unravels the fascinating story of a memoir that has become one of the most compelling, intimate, and important documents of modern history.
