by Greg Milner | Dec 16, 2016 | Australia, Hiring Salon Staff, Operations Manual. For reasons that will become obvious, we're in no way identifying the victim in this report. I'll call her Jenny. It's a false name, but everything else you read here about her salon business happened exactly as described, in the latter half of 2016.

~~Operations Manual — Salon and Spa Marketing Made Easy!~~

Your new manual will inform your staff of your exact expectations. It will also list any important salon rules or procedures, such as taking vacation time, pay periods, bonus or incentive programs, customer service, product knowledge, product control, and any other important salon issues you may choose to include.

~~Spell It Out: Developing Your Salon Training Manual ...~~

What is an operations manual? An operations manual is the backbone of your company – the encyclopedia for your business. Your employee handbook may introduce your team to your mission, various policies (benefits, holiday leave, security), and culture, but the operations manual will show them how to do their job and give them everything they need to do it. Typically the manual is either a book or folder of printed documents containing all of your standard operating procedures (SOPs), your ...

Adrienne Memmoli's "Guide to Spa Success" is a must-have reference manual containing Spa and Salon industry secrets in branding, marketing, and promotions. It is an insightful guide to getting the most business out of your day-to-day operations. Adrienne shares a wealth of knowledge from her twenty-year tenure in the Beauty Industry. She directed prestigious Spas and Salons in South Florida including The Trump Spa at Mar-a-Lago, The Polo Club of Boca Raton, The Hyatt Regency Pier Sixty-Six, Le Meridien Hotel, Woodfield Country Club and Boca West Country Club. Adrienne also launched her own line of skincare in January 2013. The manual, condensed into 84 pages of easy to follow, step by step instructions is perfect for the novice Spa and Salon Manager or the seasoned entrepreneur. Written from her personal perspective, "Guide to Spa Success" includes a myriad of creative and successful ways to drive business - increasing traffic in the door, and retail out the door! It is a reference manual that simplifies marketing for each month of the calendar year. "Guide to Spa Success" is a year-round guide full of creative and effective ideas to increase your business. A reference manual for those seeking a different perspective on marketing techniques. It contains illustrations designed to help visualize and execute ad campaigns. Learn how to incorporate media events and holidays into your monthly specials, introduce new services, sell retail and build and retain a substantial client base. "Guide to Spa Success" reveals insightful tactics to increase traffic in a variety of settings such as private Country Clubs, Hotels, and Day Spas.

This book introduces readers to all the skills and knowledge needed to get started in a career as a trained beauty therapist. Well illustrated and with step-by-step photographs, readers can see how to carry out all the procedures. Additional activities and case studies help readers gain the knowledge needed to practise at this level.

Places an emphasis on the development of practical beauty skills, guiding students through the course with clear explanations, illustrations, and practice tips. This title contains chapters on professional roles and responsibilities, including health, hygiene, and safety. It also covers cosmetic, skin and nail disorders in full colour.

This edition has been updated to "cover new trends and includes the underpinning knowledge for the skills you will need in your practice as a beauty therapist. Covering areas such as nutrition and lifestyle, and spa treatments as well as all the main therapies, this book will support you in your day-to-day work. The anatomy and physiology section has been completely revised to include extensive diagrams of all body systems." - back cover.
