The importance of our bodies cannot be overstated – this goes for all walks of life, whether it's a simple commute to work, or a tense interview situation: every movement that you make says ten things about you. This is partly what makes romantic situations so difficult for many people. Body language can be a very subconscious, hidden affair – meaning that we can't openly identify why an interaction isn't going well, or why one is. Every second, of every day, you are screaming messages to the world – even when your mouth is tightly shut. Your body is constantly having conversations with the other bodies around it, often without your recognition – in this short book, Stefan Cain tackles the difficulties of flirting, relationships and social interaction, by looking at the body language of men and women. Within these pages, you will learn:

- How body language works and where it came from
- How to attract men with powerful body language
- How to attract women with powerful body language
- How to react and understand the body language of others
- How to increase your confidence and natural charisma

Stefan Cain takes you through the ups and downs of romantic body language – the language of love – in an easy to understand, engaging and frank manner, better equipping you for a more successful love life, and a better social standing.

Available for the first time in the United States, this international bestseller reveals the secrets of nonverbal communication to give you confidence and control in any face-to-face encounter—from making a great first impression and acing a job interview to finding the right partner.
