The way that the Hideous Men speak in each of the interviews is quite natural and sounds true from the stories that I've heard many guys tell w/r/t women, sexual encounters etc. And it is A Brief Word on the Famous Interview #20

~~Brief Interviews with Hideous Men by David Foster Wallace~~

After being abruptly dumped by her boyfriend, a graduate student (Julianne Nicholson of LAW & ORDER: CRIMINAL INTENT) decides to interview a series of men about their reasons for behaving badly. What follows is an intimate portrait of the male species at their best, worst and most hilariously complex, confessing their desires, failures, frustrations and resentments.

Brief Interviews With Hideous Men HD Movie Trailer

In this thought-provoking and playful short story collection, David Foster Wallace nudges at the boundaries of fiction with inimitable wit and seductive intelligence. Wallace's stories present a world where the bizarre and the banal are interwoven and where hideous men appear in many guises. Among the stories are 'The Depressed Person,' a dazzling and blackly humorous portrayal of a woman's mental state; 'Adult World,' which reveals a woman's agonized consideration of her confusing sexual relationship with her husband; and 'Brief Interviews with Hideous Men,' a dark, hilarious series of imagined interviews with men on the subject of their relations with women. Wallace delights in leftfield observation, mining the absurd, the surprising, and the illuminating from every situation. This collection will enthrall DFW fans, and provides a perfect introduction for new readers.

In his startling and singular new short story collection, David Foster Wallace nudges at the boundaries of fiction with inimitable wit and seductive intelligence. Among the stories are 'The Depressed Person', a dazzling and blackly humorous portrayal of a woman's mental state; 'Adult World', which reveals a woman's agonised consideration of her confusing sexual relationship with her husband; and 'Brief Interviews with Hideous Men', a dark, hilarious series of portraits of men whose fear of women renders them grotesque. Wallace's stories present a world where the bizarre and the banal are interwoven and where hideous men appear in many different guises. Thought-provoking and playful, this collection confirms David Foster Wallace as one of the most imaginative young writers around. Wallace delights in leftfield observation, mining the ironic, the surprising and the illuminating from every situation. His new collection will delight his growing number of fans, and provide a perfect introduction for new readers.

Collection of interviews that profiles Wallace's career of twenty years, from 1987 until his suicide in 2008, that provides insight into his development as a writer and complicated persona.

In the stories that make up *Oblivion*, David Foster Wallace joins the rawest, most naked humanity with the infinite involutions of self-consciousness -- a combination that is dazzlingly, uniquely his. These are worlds undreamt of by any other mind. Only David Foster Wallace could convey a father's desperate loneliness by way of his son's daydreaming through a teacher's homicidal breakdown (*The Soul Is Not a Smithy*). Or could explore the deepest and most hilarious aspects of creativity by delineating the office politics surrounding a magazine profile of an artist who produces miniature sculptures in an anatomically inconceivable way (*The Suffering Channel*). Or capture the ache of love's breakdown in the painfully polite apologies of a man who believes his wife is hallucinating the sound of his snoring (*Oblivion*). Each of these stories is a complete world, as fully imagined as most entire novels, at

once preposterously surreal and painfully immediate.

Where do you begin with a writer as original and brilliant as David Foster Wallace? Here -- with a carefully considered selection of his extraordinary body of work, chosen by a range of great writers, critics, and those who worked with him most closely. This volume presents his most dazzling, funniest, and most heartbreaking work -- essays like his famous cruise-ship piece, "A Supposedly Fun Thing I'll Never Do Again," excerpts from his novels *The Broom of the System*, *Infinite Jest*, and *The Pale King*, and legendary stories like "The Depressed Person." Wallace's explorations of morality, self-consciousness, addiction, sports, love, and the many other subjects that occupied him are represented here in both fiction and nonfiction. Collected for the first time are Wallace's first published story, "The View from Planet Trillaphon as Seen In Relation to the Bad Thing" and a selection of his work as a writing instructor, including reading lists, grammar guides, and general guidelines for his students. A dozen writers and critics, including Hari Kunzru, Anne Fadiman, and Nam Le, add afterwords to favorite pieces, expanding our appreciation of the unique pleasures of Wallace's writing. The result is an astonishing volume that shows the breadth and range of "one of America's most daring and talented writers" (*Los Angeles Times Book Review*) whose work was full of humor, insight, and beauty.

A collection of 23 stories, several of which deal with misunderstandings between men and women. In one, a man assumes that women find his mutilated arm sexy, in another a wife is inhibited in her lovemaking by fear that her husband will think she is a slut.

Since its publication in 2003, *Understanding David Foster Wallace* has served as an accessible introduction to the rich array of themes and formal innovations that have made Wallace's fiction so popular and influential. A seminal text in the burgeoning field of David Foster Wallace studies, the original edition of *Understanding David Foster Wallace* was nevertheless incomplete as it addressed only his first four works of fiction—namely the novels *The Broom of the System* and *Infinite Jest* and the story collections *Girl with Curious Hair* and *Brief Interviews with Hideous Men*. This revised edition adds two new chapters covering his final story collection, *Oblivion*, and his posthumous novel, *The Pale King*. Tracing Wallace's relationship to modernism and postmodernism, this volume provides close readings of all his major works of fiction. Although critics sometimes label Wallace a postmodern writer, Boswell argues that he should be regarded as the nervous leader of some still-unnamed (and perhaps unnamable) third wave of modernism. In charting a new direction for literary practice, Wallace does not seek to overturn postmodernism, nor does he call for a return to modernism. Rather his work moves resolutely forward while hoisting the baggage of modernism and postmodernism heavily, but respectfully, on its back. Like the books that serve as its primary subject, Boswell's study directly confronts such arcane issues as postmodernism, information theory, semiotics, the philosophy of Ludwig Wittgenstein, and poststructuralism, yet it does so in a way that is comprehensible to a wide and general readership—the very same readership that has enthusiastically embraced Wallace's challenging yet entertaining and redemptive fiction.

The agents at the IRS Regional Examination Center in Peoria, Illinois, appear ordinary enough to newly arrived trainee David Foster Wallace. But as he immerses himself in a routine so tedious and repetitive that new employees receive boredom-survival training, he learns of the extraordinary variety of personalities drawn to this strange calling. And he has arrived at a moment when forces within the IRS are plotting to eliminate even what little humanity and dignity the work still has. *The Pale King* remained unfinished at the time of David Foster Wallace's death, but it is a deeply compelling and satisfying novel, hilarious and fearless and as original as anything Wallace ever undertook. It grapples directly with ultimate questions--questions of life's meaning and of the value of work and society--through characters imagined with the interior force and generosity that were Wallace's unique gifts. Along the way it suggests a new idea of heroism and commands infinite respect for one of the most daring writers of our time.

NOW A MAJOR MOTION PICTURE, STARRING JASON SEGAL AND JESSE EISENBERG, DIRECTED BY JAMES PONSOLDT An indelible portrait of David Foster Wallace, by turns funny and inspiring, based on a five-day trip with award-winning writer David Lipsky during Wallace's *Infinite Jest* tour In David Lipsky's view, David Foster Wallace was the best young writer in America. Wallace's pieces for Harper's magazine in the '90s were, according to Lipsky, "like hearing for the first time the brain voice of everybody I knew: Here was how we all talked, experienced, thought. It was like smelling the damp in the air, seeing the first flash from a storm a mile away. You knew something gigantic was coming." Then *Rolling Stone* sent Lipsky to join Wallace on the last leg of his book tour for *Infinite Jest*, the novel that made him internationally famous. They lose to each other at chess. They get iced-in at an airport. They dash to Chicago to catch a make-up flight. They endure a terrible reader's escort in Minneapolis. Wallace does a reading, a signing, an NPR appearance. Wallace gives in and imbibes titanic amounts of hotel television (what he calls an "orgy of spectation"). They fly back to Illinois, drive home, walk Wallace's dogs. Amid these everyday events, Wallace tells Lipsky remarkable things—everything he can about his life, how he feels, what he thinks, what terrifies and fascinates and confounds him—in the writing voice Lipsky had come to love. Lipsky took notes, stopped envying him, and came to feel about him—that grateful, awake feeling—the same way he felt about *Infinite Jest*. Then Lipsky heads to the airport, and Wallace goes to a dance at a Baptist church. A biography in five days, *Although Of Course You End Up Becoming Yourself* is David Foster Wallace as few experienced this great American writer. Told in his own words, here is Wallace's own story, and his astonishing, humane, alert way of looking at the world; here are stories of being a young writer—of being young generally—trying to knit together your ideas of who you should be and who other people expect you to be, and of being young in March of 1996. And of what it was like to be with and—as he tells it—what it was like to become David Foster Wallace. "If you can think of times in your life that you've treated people with extraordinary decency and love, and pure uninterested concern, just because they were valuable as human beings. The ability to do that with ourselves. To treat ourselves the way we would treat a really good, precious friend. Or a tiny child of ours that we absolutely loved more than life itself. And I think it's probably possible to achieve that. I think part of the job we're here for is to learn how to do it. I know that sounds a little pious." —David Foster Wallace
