It's tough to control your emotions and even tougher to control the intensity of which you feel them. Some people cope with their emotional intensity through distraction ("I can zone out and create my own little world"), while others are thankful for this ability ("I love to feel emotions truly and deeply; this is what makes us alive").

23 'Habits' of People Who Experience Emotional Intensity ...

Emotional intensity is how strongly people feel their emotions. Culturally through most parts of the world, people are told if you react strongly to certain people or situations that you are too sensitive. This leads many people to view their sensitivity as a negative instead of a positive. In this conversation with Imi, we cover not only how to identify if you are emotionally intense, but how to use that intensity to become a better leader.
