Finding the Unit and Lesson Numbers. Everyday Mathematics is divided into Units, which are divided into Lessons. In the upper-left corner of the Home Link, you should see an icon like this: The Unit number is the first number you see in the icon, and the Lesson number is the second number. In this case, the student is working in Unit 5, Lesson 4. To access the help resources, you would select "Unit 5" from the list above, and then look for the row in the table labeled "Lesson 5-4."

The instructional materials reviewed for Everyday Mathematics 4, Kindergarten through Grade 2, partially meet expectations for alignment. The assessments for Kindergarten through Grade 2 address grade-level standards, and the materials devote at least 65% of class time to major clusters of the grade. The materials are also consistent and coherent with the progressions in the Standards.
