Every day you have a million things that you think you 'll get done. And by the end of the day, you might have done a few of them (or not) but probably not the big, important ones (unless not doing those things comes with a price you 're not willing to pay). Most of what you get done is likely to meet other people 's expectations.

~~How to get it all done when you're only human~~

Responsibilities still demand very much of us. But getting stuff done can seem impossible when depression stands in our way like an immovable boulder, blocking our road. Fortunately, there are many detours around that boulder. There are many ways to get stuff done despite depression lording over our brains. This book gives you those strategies.
