Legendary Kate Bornstein directly addresses the often daunting and prevalent reality of suicidal thoughts and actions within trans and queer communities. Through her typical bold, intense, and playful style, Kate offers unconventional alternatives to suicide in her book "Hello Cruel World: 101 Alternatives to Suicide for Teens, Freaks and Other Outlaws.

Celebrated transsexual trailblazer Kate Bornstein has, with more humor and spunk than any other, ushered us into a world of limitless possibility through a daring re-envisionment of the gender system as we know it. Here, Bornstein bravely and wittily shares personal and unorthodox methods of survival in an often cruel world. A one-of-a-kind guide to staying alive outside the box, Hello, Cruel World is a much-needed unconventional approach to life for those who want to stay on the edge, but alive. Hello, Cruel World features a catalog of 101 alternatives to suicide that range from the playful (moisturize!), to the irreverent (shatter some family values), to the highly controversial. Designed to encourage readers to give themselves permission to unleash their hearts' harmless desires, the book has only one directive: "Don't be mean." It is this guiding principle that brings its reader on a self-validating journey, which forges wholly new paths toward a resounding decision to choose life. Tenderly intimate and unapologetically edgy, Kate Bornstein is the radical role model, the affectionate best friend, and the guiding mentor all in one.

Gender Outlaw is the work of a woman who has been through some changes—a former heterosexual male, a one-time Scientist and IBM salesperson, now a lesbian woman writer and actress who makes regular rounds on the TV (so to speak) talk shows. In her book, Bornstein covers the "mechanics" of her surgery, everything you've always wanted to know about gender (but were too confused to ask) addresses the place and politics of the transgendered and interrogates the questions of those who give the subject little thought, creating questions of her own.

Gender isn't just about "male" or "female" anymore - if you have any doubts, just turn on your television. RuPaul is as familiar as tomato ketchup with national radio and television shows, and transgendered folk are as common to talk-shows as screaming and yelling. But if the popularization of gender banding is revealing that "male" and "female" aren't enough, where are we supposed to go from here? Cultural theorists have written loads of smart but difficult-to-fathom texts on gender, but none provide a hands-on, accessible guide to having your own unique gender. With My Gender Workbook, Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, Bornstein gently but firmly guides you to discover your own unique gender identity. Whether she's using the USDA's food group triangle to explain gender, or quoting one-liners from real "gender transgressors", Bornstein's first and foremost concern is making information on gender bending truly accessible. With quizzes and exercises that determine how much of a man or woman you are, My Gender Workbook gives you the tools to reach whatever point you desire on the gender continuum. Bornstein also takes aim at the recent flurry of books that attempt to naturalize gender difference, and puts books like Men are from Mars, Women are from Venus squarely where they belong: on Uranus. If you don't think you are transgendered when you sit down to read this book, you will be by the time you finish it!

"This updated edition of Bornstein's formative My Gender Workbook (1997) provides an invigorating introduction to contemporary theory around gender, sexuality, and power. The original is a classic of modern transgender theory and literature and, alongside Bornstein's other work, has influenced an entire generation of trans writers and artists. This revised and expanded edition extends that legacy, offering an accessible foundation for examining gender in the reader's life and in the broader culture while arguing for the dismantling of all forms of oppression. For fans of the original, Bornstein's new material merits a fresh read..."--Publishers Weekly, starred review Cultural theorists have written loads of smart but difficult-to-fathom texts on gender theory, but most fail to provide a hands-on, accessible guide for those trying to sort out their own sexual identities. In My Gender Workbook, transgender activist Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, complete with quizzes, exercises, and puzzles, Bornstein gently but firmly guides readers toward discovering their own unique gender identity. Since its first publication in 1997, My Gender Workbook has been challenging, encouraging, questioning, and helping those trying to figure out how to become a "real man," a "real woman," or "something else entirely." In this exciting new edition of her classic text, Bornstein re-examines gender in light of issues like race, class, sexuality, and language. With new quizzes, new puzzles, new exercises, and plenty of Kate's playful and provocative style, My New Gender Workbook promises to help a new generation create their own unique place on the gender spectrum.

Presents the life of a Jewish boy who joined the Church of Scientology and left twelve years later, ultimately transitioning to a woman and becoming a civil rights activist and gender outlaw.

Do you have a friend, co-worker, or family member who is trans? Are you trans yourself and looking for a book to help friends and loved ones better understand? Are you seeking understanding on your own behalf? This is the book for you! Transition and Beyond will help anyone seeking information of what it means (and doesn't mean) to be trans. This book addresses issues that arise when considering transition, such as: - Partner/spouse issues - Coming out to family - Religious considerations - Addiction and transition - Workplace disclosure - Children transitioning - What does 'support' look like? - What does 'post-transition' mean? - Trans in the new millenium

On April 8, 1994, Kurt Cobain ended his long struggle with depression and chemical dependency by taking his own life. His suicide profoundly affected millions of fans around the world who identified with the music of Kurt and his band, Nirvana. Bev Cobain is Kurt's cousin, and this powerful book is her way of dealing with his death—and reaching out to teens with a life-saving message: You don't have to be sad, discouraged, or depressed. There is help and hope for you. Full of solid information and straight talk, When Nothing Matters Anymore defines and explains adolescent depression, reveals how common it is, describes the symptoms, and spreads the good news that depression is treatable. Personal stories, photos, and poetry from teens dealing with depression speak directly to readers' feelings, concerns, and experiences. Teens learn how to recognize depression in themselves and others, understand its effects, and take care of themselves by relaxing, exercising, eating right, and talking things over with people who care. For some teens, self-help isn't enough, so Bev also tells about treatment options, presents the facts about therapy, explains the differences between various types of helping professionals (psychiatrists, clinical psychologists, physicians, counselors, etc.), discusses medications, and more. This book isn't just for teens who have been diagnosed with depression. It's for any teen who feels hopeless, helpless, and alone. Clear, encouraging, and matter-of-fact, it's also recommended for parents, teachers, and counselors who want to know more about teen depression.

Two cybersex operators—a man and a woman—defy a U.S. law requiring a permit to use the Internet. Their campaign of protest leads to a general shutdown of e-mail operations across the world. By the author of Gender Outlaw.

My brother took his own life on his thirtieth birthday. My life has never been the same. Thirty plus years after publishing the first edition of Dead Serious, this second completely revised and updated edition covers new ground: bullying, social media, LGBTQ teens, suicide prevention programs, and more. Scores of teens share their stories that are often filled with hurt, disappointment, shame—yet often hope. Written for teens, adults and educators, Dead Serious: Breaking the Cycle of Teen Suicide explores the current cultural and social landscape and how the pressure-filled lives of teens today can lead to anxiety, depression—suicide. Leder's own journey of discovery after her brother's suicide informs her goal of helping to prevent teen suicide by empowering teens who are suffering and teens who can serve as peer leaders and connectors to trusted adults. The skyrocketing number of teens who take their own lives makes Dead Serious: Breaking the Cycle of Teen Suicide more relevant and important than ever. "Talking about suicide does not make matters worse. What makes matters worse is not talking."
