I would never use, "On my personal time" simply because You can't do something "ON" time..You can do something within a period of time, ergo the saying "In my personal time".

~~On my personal time vs in my personal time? | Yahoo Answers~~

The trick to managing personal time is first determining how much time you have to manage. Use the example above and put the time you spend sleeping, in personal care, doing chores, at work (or school), and in caring for others during your week to zero in on the personal time you have left to manage. Be realistic in categorizing your time.
