K53 Driver ' s Licence – first time. Covering both light and heavy motor vehicles, and motorcycles, each chapter discusses the knowledge and skills expected of you. The learner ' s section explains the K53 Defensive Driving principles, road signs and the rules of the road, with questions and detailed answers to test your knowledge. At the end of this section there is a test similar to that compiled by traffic departments. The driver ' s section explains how candidates are tested and what examiners look out for, with step-by-step instructions on how to perform every manoeuvre in both the yard and road tests. With detailed, full-colour illustrations throughout, this is the definitive manual for both the learner ' s and driver ' s tests.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

to dive into applied machine learning. The book doesn't explain the algorithms but is more oriented towards how and what should you use to solve machine learning and deep learning problems. The book is not for you if you are looking for pure basics. The book is for you if you are looking for guidance on approaching machine learning problems. The book is best enjoyed with a cup of coffee and a laptop/workstation where you can code along. Table of contents: -
