A celebration of the Omega Seamaster watch's seventieth anniversary with exclusive photographs that truly bring the legendary timepiece to life. When the Swiss watchmaker Omega debuted its Seamaster diving watch in 1948, the house proved that functionality and style could coexist. This luxurious volume marks seventy years of Seamaster, exploring the model's excellent craftsmanship, evolving design, and enduring charm. Inspired by the waterproof wristwatches of World War II, the Seamaster appealed to active individuals desiring a watch for "town, sea, and country"—a heritage that shines through today. A precious collectible object, this tome features never-before-seen photographs of vintage and contemporary Seamasters, as well as different shades of paper. For those who appreciate fine timepieces and extraordinary pieces of bookmaking, this new edition is bound to delight.

The third edition of this definitive and popular book, marking the 60th anniversary of the Speedmaster Now includes 17 new Speedmasters and an additional 120 new illustrations Updated models, serial range, and popularity index make this a must-buy for collectors "Moonwatch Only is certainly one of the best books ever written about a single watch model." - William Massena - Timezone.com "It is an indescribable reference work and a true must-have for every Speedmaster collector." - Forbes "This book sets a new standard. Not only for books on the Omega Speedmaster, but for watch books in general. I've never seen anything like it, and believe me when I tell you that I could fill an impressive sized wall with books on watches. Authors of other books or publishers should take a look at Moonwatch Only as well to see how it should be done." - Robert Jan Broer - FratelloWatches "The OMEGA Speedmaster Professional - the Moonwatch - has done things that no other timepiece has done and it's been worn in places that only a few human beings have been." - Captain Eugene Cernan, "Last man on the moon" There are very few timepieces in the world that deserve a definitive and comprehensive book such as this one. The OMEGA Speedmaster Professional Moonwatch is one of them. Initially designed for automobile racing teams and engineers, the Omega Speedmaster embarked on a very different trajectory when NASA chose it to accompany astronauts heading for the Moon in 1965. Its involvement in the space adventure has propelled the Moonwatch to the top of the list of celebrated timepieces. After years of research and observation, the authors present a complete panorama of the Moonwatch in a systematic work that is both technical and attractive, making it the inescapable reference book for this legendary watch. This third edition marking the 60th anniversary of the Speedmaster has been enriched with numerous new features including a 16-page gallery of astronauts and their Speedmaster, QR codes to extend your exploration and a detailed story of a vintage Speedmaster.

Finding a vintage Rolex is easy. Finding one that's worth its price... that's the challenge. Fakes are getting harder to spot, and a poor restoration could end up costing you more than its price in repairs. That's a painful mistake you could avoid with the right information. Written by a seasoned collector, this guide will teach you the complex nuances of vintage Rolex watches, saving you from financial catastrophe and turning you into a savvy collector. 1,483 references are covered in extraordinary detail, from antique and vintage dress watches to contemporary professional watches. Bezel sizes, dial markings, case engraving, hands, movements and much more, all documented so you know exactly what you're paying for. The guide will lead you from potential pitfall to glorious barn-find, with all the treacherous twists and turns along the way. There are plenty of pictures to inspire, inform and enlighten you as you learn to zero-in on your dream watch. The world of vintage Rolex watches is complex and nuanced, making it especially daunting for the first-time buyer. But armed with the facts, you will make informed choices that put you back in the driver's seat.

The Wristwatch Annual has become a classic for aficionados of fine watchmaking. It's a one-stop shop for watch buying, offering complete specs and prices on over 1,400 models by more than 130 international brands, while also tracking the latest developments in the watch industry. In addition to the extensive A–Z section, which includes many new entries, senior editor Marton Radkai presents editorial features that take a closer look at a number of exciting American brands on the market today. Presenting a wide range of wristwatches, with exquisite color photographs and complete specifications for each watch, Wristwatch Annual provides collectors with a wealth of information close at hand. The book is arranged alphabetically by producer—within each producer's section is a brief history of the brand (with contact information)—and specifications and materials for each watch, including price, movement, special features, complications, case, dial, band, and variations. Also included are a glossary and a guide to watch maintenance. The clear photography, structured layout, and lively writing also makes this book a pleasure to read or just browse. This year's edition features updated and expanded content, focusing on new American brands.

The definitive guide for the collector of mechanical wristwatches, with complete information—including prices—on over 1,400 models made by more than 130 international brands The sixteenth edition of this watch-industry mainstay features more than 1,400 of the world's most luxurious wristwatches, providing a color photograph and complete specifications for each one. With Wristwatch Annual, collectors have a wealth of information close at hand: the book is arranged alphabetically by producer, and within each producer's section are complete details for each watch, including price, materials, movement, special features, complications, case, dial, band, and available variations of a particular model. A glossary and pronunciation guide help acclimate the reader to the world of fine timepieces, and, for prospective buyers, the addresses of all featured producers are listed together. The elegant photography and layout will encourage people to peruse the year's offerings for aesthetic appeal as well as technical features. The range of styles, from classic to modern, reflects the inclusive nature of this book, which watch collectors around the world will find both a handy reference and required reading.

The definitive reference for the collector of mechanical wristwatches, now with a special offer on the print edition. This fifteenth edition of industry mainstay Wristwatch Annual features more than 1,400 of the world's most luxurious timepieces, from 175 international brands. For each watch, the editors provide a color photograph and complete specifications, including price, movement, complications, case, band, and available variations. Bonus editorial features include a survey of independent watchmaking, an update on the online watch scene, and a glossary of horological terms. Added especially for the e-book edition is a price list for all the watches. Looking for a model in a particular range or want to compare manufacturers' prices? Check this handy new feature at the end of the book.

The essential guide for the collector of mechanical wristwatches, with complete information on over 1,400 models from some 130 international brands With Wristwatch Annual, collectors have at hand a wealth of information on the latest offerings from today's most important watch producers, from Swiss mainstays like Rolex and Patek Philippe to the maverick independent brands springing up across Europe and the U.S. The book is arranged alphabetically by producer, and the movement, functions, case, band, price, and variations of each pictured watch are fully described. This year's edition, like its predecessors, will feature a variety of additional articles on independent watchmaking, key personalities in the watch world, and the technical aspects of horology. An illustrated glossary and a primer on watch care help acclimate the reader to the world of fine timepieces.
