Sweepers
Floor Sweepers eliminate more dirt and bacteria than traditional brooms. The powerful sweeping technology sanitizes and deodorizes without the need for toxic or potentially harmful chemicals. When choosing a floor sweeper it is important to consider the size of the area and the different surface textures.

Floor Sweepers Control Dust and Debris with a Tennant Indoor or Outdoor Sweeper From battery-powered walk-behind floor sweepers to industrial rider sweepers, a dependable Tennant Floor Sweeper will help you keep your facility free of debris and dust.

The stakes have never been higher, and you've never seen squeegee do this before! It is a wild and slightly unsanitary ride as Spencer, Daisy, and the rebels find themselves chased by Mr. Clean's new and terrifying breed of Toxite: the Sweepers. Time is short. With the fabled "Manualis Custodem" in hand, Spencer must figure out how to summon the founding witches if they ever hope to mop up and save education.

Keeping our streets clean is a lot of work! Streets sweepers work hard day in and day out to keep dirt and debris from piling up. We'll show you how they do it! With up close pictures and detailed descriptions, we'll show you how street sweepers take trash off our streets and send it on its way to the dump. Book 1 of the Let's Move! children's series.

The humor and innocence of the United States Navy Sailor is captured in the unique and sportive tales of a salty master chief set in the final quarter of the twentieth century. Sweepers sweepers man your brooms is a phrase readily recognized by any Sailor who ever woke up on a United States Navy ship. In his Navy memoirs Retired Navy Master Chief Jeff Zahratka, a twenty six year veteran chronicles rich adventures that carry the reader to exotic settings from Karachi Pakistan to Severnorsk Russia. Sweepers Sweepers is a colorful story with uncanny notice of the odd occurrences that take place between the life lines of Navy ships and isolated shore establishmentnot a story about bombs, battles, or spectacular explosions, Sweepers Sweepers Man Your Brooms is his story about how people of great diversity coexist in eighty-man bedrooms while living out of devices known as coffin lockers. Consistently found in the effecuation of extraordinary events, the ubiquitous American Sailor may be found crawling through garbage in an equatorial Shellback initiation or baring their derrieres at a Soviet aircraft carrier while traversing the Cape of Good Hope. He may be discovered in hand to hand combat, not with a human enemy manned up at a fire control console on an Aegis cruiser, but with a toilet brush in a Greek hotel room, fighting to the death with a mutated species of an ancient Hellenic centipede. The author fails miserably at camouflaging his affection for the city of Pittsburgh and his long time devotion to their high powered sports teams. He provides many insightful moments relating to being a fan from afar through some of the greatest years in Steeler and Pirate sports history. The story is a rich and historically accurate account of a caste of characters from seaman recruits with attitudes honed on tough urban streets, to brown juice spitting good ole boys that learned to love the sea. There are associations and first hand opinions on the actions of young naval officers who today are among the top ranking leaders of the force. Sweepers Sweepers Man Your Brooms is a tapestry of the social morays, historical events, and military technologies that define the character of the Navy for the last thirty years. The reader will experience sufficient history to educate, and an infusion of personal opinion which will serve as a catalyst for debate. Above all; however, the story will remind Americans why they love Sailors, and remind old Sailors of why they love the Navy.

The U.S. Navy made him the ultimate killer. Now they can't stop him... It begins with a routine police investigation. A beautiful woman is dead. A detective needs answers. And a newly appointed Pentagon admiral is scrambling for his career and for his life. Suddenly, the inner ring of the Pentagon is being rocked by a living nightmare: a Sweeper-a trained covert assassin, an ex-SEAL scarred by one horrific episode in Vietnam-has gone rogue. And his killing has just begun... With a searing insider's view of Pentagon politics, retired Navy captain P.T. Deuterermann writes military suspense worthy of Tom Clancy and Nelson DeMile. Now, in his electrifying new novel, a powerful ex-Marine and a courageous woman face a kill zone: of deception, ambition, and sweeping revenge...

How breathtakingly close we are to lives that at first seem so far away. From the civil rights struggle in the United States to the Nazi crimes against humanity in Europe, there are more stories than people passing one another every day on the bustling streets of every crowded city. Only some stories survive to become history. Recently released from prison, Lamont Williams, an African American probationary janitor in a Manhattan hospital and father of a little girl he can ' t locate, strikes up an unlikely friendship with an elderly patient, a Holocaust survivor who was a prisoner in Auschwitz-Birkenau. A few blocks uptown, historian Adam Zignelik, an untenured Columbia professor, finds both his career and his long-term romantic relationship falling apart. Emerging from the depths of his own personal history, Adam sees, in a promising research topic suggested by an American World War II veteran, the beginnings of something that might just save him professionally, and perhaps even personally. As these men try to survive in early-twenty-first-century New York, history comes to life in ways neither of them could have foreseen. Two very different paths—Lamont ' s and Adam ' s—lead to one greater story as The Street Sweeper, in dealing with memory, love, guilt, heroism, the extremes of racism and unexpected kindness, spans the twentieth century to the present, and spans the globe from New York to Chicago to Auschwitz. Epic in scope, this is a remarkable feat of storytelling.
