Aspects of Tactical
Medicine Essentials
Paperback
that I do not like:

-Chapter 2 has a
October 20 2010
section on Diet and
Nutrition which is
not current or
accurate despite
the author's claims.
The author states:
"In the last 10
years, research has
demonstrated that

a low-fat, high-complex carbohydrate diet is the best way to improve health and to increase life span."
