'Roaring Twenties' in
Britain in their novels.
Both authors politely poke
fun at the socialites and
upper classes, but their
novels give a good idea of
the heady days of the 1920s.
The experiences during the
War influenced British
society, particularly women.

History of London of the early 20th century, from 1900 to the outbreak of World War II in 1939. London entered the 20th century at the height of its influence as the capital of the largest empire in history, but the new century was to bring many challenges. London was the largest city in the world from about 1825 until it was overtaken by New York City in 1925.

square miles and incorporates 32 boroughs, as well as the City of London - we'll come to that in a second.

What's the Difference
Between London and the City
of London?

They were mostly worn by youths - perhaps the male counterparts of the flapper - and became a favorite of Britain's "Bright Young People," a group of wealthy, aristocrats known for their antics in London's nightlife. The other development in menswear in the twenties was the plus-fours.
